

2011-2012 membership

The Seattle Architecture Foundation is thrilled to announce its new Membership Program!

The Seattle Architecture Foundation (SAF) connects people to the architecture, design and history of Seattle. This year, SAF is celebrating its 30th anniversary. SAF has renewed focus on outreach to people already enjoying our programming and to those who may be new to SAF. The new membership program provides all supporters with program benefits, special member events, and access to our monthly newsletter.

Join us in 2012 at SAF programs that include entertaining youth programs, an exciting annual architectural model exhibit, dynamic guided architectural walking tours, and outstanding Town Hall lectures.
